**I. 36 CFR §1.5 – VISITING HOURS, PUBLIC USE LIMITS, CLOSURES, AND AREA DESIGNATIONS FOR SPECIFIC USE OR ACTIVITIES**

**(a)(1) The following visiting hours and public use limits are established for all or for the listed portions of the park, and the following closures are established for all or a portion of the park to all public use or to a certain use or activity:**

  1. Any water source or impoundment.

Camping:

- Please refer to Section 2.10 for detailed camping area designations.

**The following restrictions and/or conditions are in effect for the specific uses or activities noted:**

- Fixed lines may not be attached to man-made structures. A fixed rope line may not be left unattended anywhere in the park.
- Power-drilling devices may not be used for placing or replacing bolts except when authorized by the Superintendent.
